Term	Application Opens	Application Priority Deadline
Fall 2025	October 1, 2024	Deadlines vary by campus

For more resources to help you in your graduate application, visit the [Cal State Apply Graduate Applicant](#) webpage.

FIRST STEPS IN YOUR APPLICATION

How to apply

Visit calstate.edu/apply. Click the term you are applying for in the drop-down menu.

TIP: Be sure to apply for the correct term. Do not apply before the “application opens” term date. A submitted application is only considered for the term which you applied.

Setting up your Cal State Apply account

Once you’ve selected the appropriate term and click “apply” from the Cal State Apply website, you will be taken to the application portal for that term.

First, you will create an account, which will include creating a username and password. Be sure to write these down for future reference.

TIP: Official communication is sent via email regarding your application, admissions requirements, etc. Be sure you enter the email address you check regularly.

Reapplicants

If you submitted or started an application in the prior year, you are given the option to start a fresh application or copy application data from the previous application into the new application.

If you select Copy Application Data, you can select which sections of the application you wish to copy. Any data you entered previously for those sections will be transferred and **all information will be editable**.

FIRST STEPS IN YOUR APPLICATION

After selecting Continue, the system will copy the previous data and **send an email when the new application is ready**.

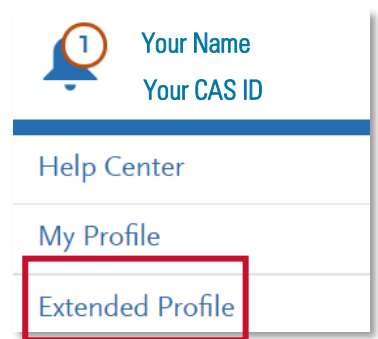

We are Preparing your New Application

It can take some time for the system to copy your previous application data to your new application. You will receive an email when your new application is ready for you to work on it.

OK

Completing your Extended Profile

After creating an account, you will complete the questions on the Extended Profile. Be sure to answer questions on the Extended Profile carefully. **The answers you provide on the Extended Profile determine which sections of the application appear and what programs (majors) are available for you to choose.** Come back to your questions on the Extended Profile any time if you need to make corrections by clicking your name on the top right-hand corner.

Degree Goal

All graduate applicants should select **Second Bachelor's Degree and Beyond** for "what degree you are applying to?" Then, select **one or more** of the following that describes your degree goal(s).

1. Educational Goal

★ What degree, credential, program or certificate are you applying for?

- ☐ First Bachelor's Degree (Seeking your first bachelor's degree and have not earned a prior bachelor's degree)
- ☒ Second Bachelor's Degree and Beyond (e.g. Master's, Teaching Credential, Certificate, Doctoral)

<input checked="" type="checkbox"/>	Second Bachelor's Degree (already earned a bachelor's degree and are seeking another one)
<input checked="" type="checkbox"/>	Graduate (e.g. Master's, Doctoral) or Professional's Degree
<input checked="" type="checkbox"/>	Teaching and Service Credential Only
<input checked="" type="checkbox"/>	Certificate

TIP: Select all degree options to view all available programs at each campus. This is recommended, as you will not be able to change these responses after submission.

FIRST STEPS IN YOUR APPLICATION

Returning Students

A returning student is someone who previously attended a CSU campus, left without completing the program, and are now applying to return to the **same** CSU campus they had previously attended to complete the **same** program. Select Yes if it applies to you. Then you will be prompted to select the campus and enter your Campus ID. If you are not a returning student, select No and proceed.

1a. Returning

★ Are you applying to return to the CSU campus which you previously attended, and intend to complete the same major?

☒ Yes ☐ No

★ Which CSU Campus did you previously attend?

What was your Student ID?

★ Select the scenario that applies to you:

☐ I previously attended a CSU campus and am now applying to an additional campus.

☐ I attended other colleges or universities since leaving CSU.

☐ I previously attended a CSU campus and am now applying to an additional campus AND I attended other colleges or universities since attending CSU.

☐ I have not attended other colleges or universities since leaving CSU and am only applying to my original campus.

NOTE: If you have graduated or are graduating with your undergraduate degree and are applying to the same CSU campus for a graduate program of study, select “No.” You are not classified as a returning student.

US Military Status

If you have US military experience, select your anticipated status at the time of enrollment from the drop-down. Select **No, I have not served in the US military** if this does not apply.

International Applicant

If you have or will require an F1 Visa (student) or J1 Visa (exchange) to study at the CSU, select Yes. If not, select No. Applicants who answer No will be prompted to select the state of their permanent home.

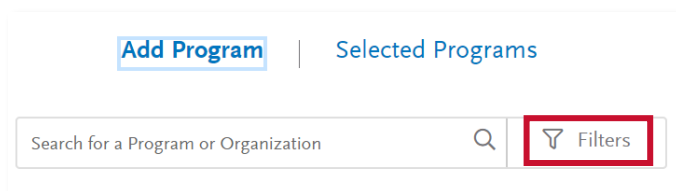

TIP: Checking yes classifies you as an international applicant. U.S. citizens, current residents, visa holders, or those without a citizenship status should select No.

Selecting the program(s) you will apply to

After you complete your Extended Profile, you will be taken to the **Add Program** page where you can select the specific program(s) you will apply to.

Finding a program

Begin by typing in a campus name or a program (major) in the search box. You can also use the filters to narrow down your search quickly.

Selecting a program

Once you have found a program you wish to apply to, click the plus (“+”) sign to the left of the program name. This will add it to your application.

You can apply to as many campuses as you wish, each with a \$70 application fee, but note you can only apply to one program per campus each term.

Once you are done making your selection(s), click **Continue To My Application**.

Reviewing your program selection(s)

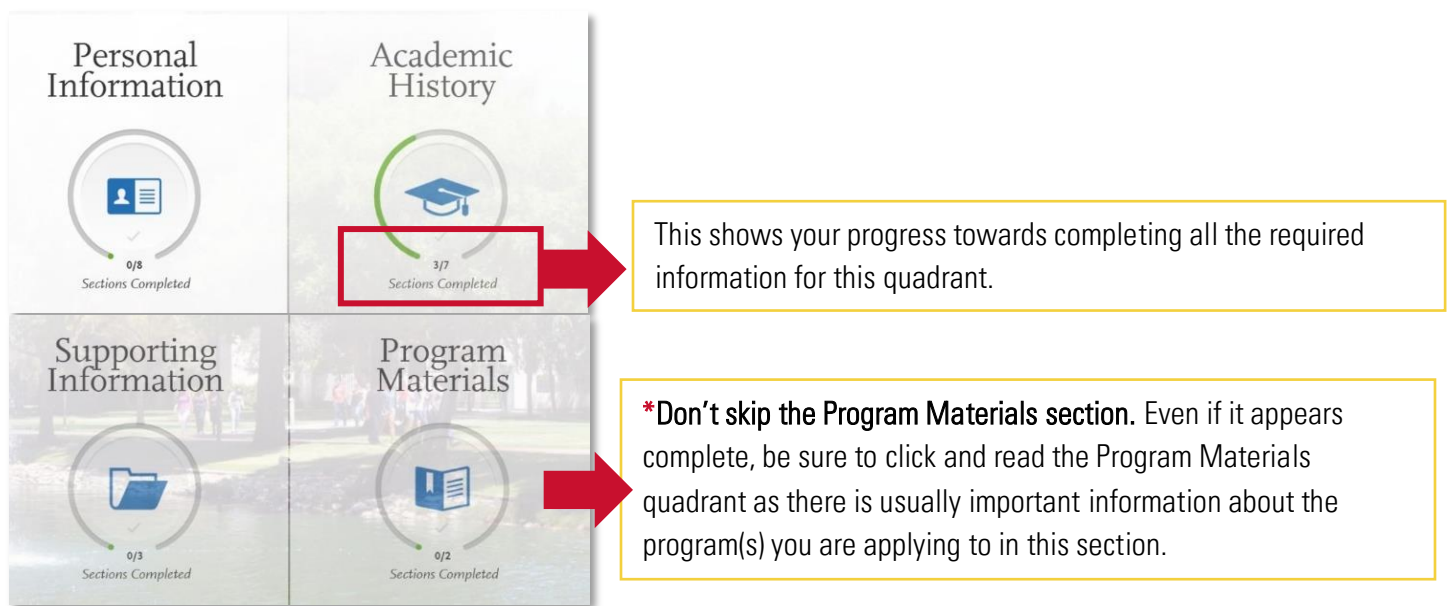

Before moving on, review your program selections. This page shows you all programs you are applying to, the status of the application, and total fees due at submission. You will review this information again in the **Submit Application** tab.

TIP: Check the entire name of the campus and program carefully to make sure you do not apply to the wrong CSU campus or program.

Overview: the four sections of your application

The remainder of the application is under the My Application tab and includes four parts (quadrants). Each part has a status that displays the progress in completing that quadrant. You must complete all sections in the first three (3) quadrants to submit your application. The fourth quadrant depends on the program(s) you have selected.*

COLLEGES ATTENDED

What to report in Colleges Attended

In this section you will add all colleges/universities attended.

- Include international post-secondary colleges* and U.S. colleges you attended regardless of accreditation status.

For college credit outside the United States/Canada

For a college/institution outside the United States or Canada, you will be given the option to upload an unofficial copy of your transcript. This is not required.

Add a College or University

Follow these steps for each college/university you've attended or are currently attending.

Report **all** degrees earned or in progress.

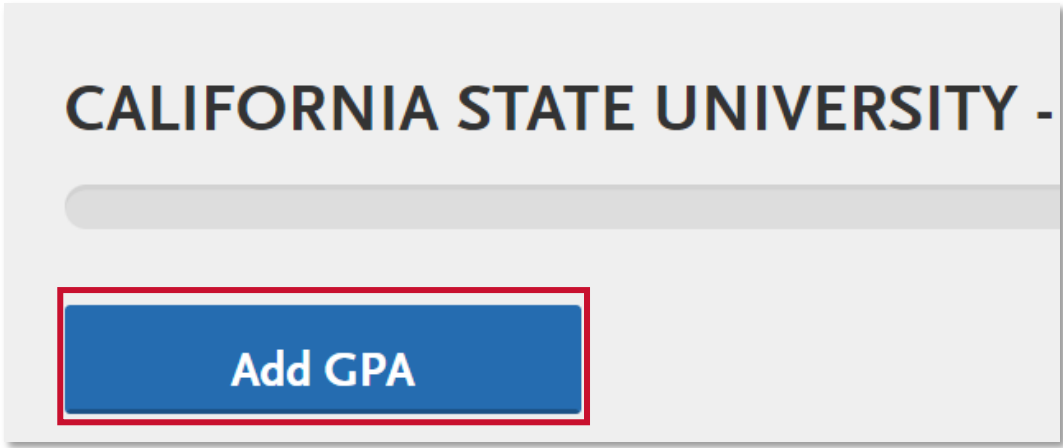

The screenshot shows a form titled "Degree Info" with two radio buttons: "Degree Awarded" (selected) and "Degree In Progress". Below this, there are four required fields marked with an asterisk: "What type of degree did you earn?" (dropdown menu showing "Bachelor of Arts"), "When did you earn that degree?" (two dropdown menus showing "May" and "2021"), "What was your major?" (dropdown menu showing "Engineering"), and "What was your minor?" (dropdown menu showing "None").
